

Scott County 4-H Times

MAY

News:

Over the last ten years I have had the privilege and the honor of serving Scott County as a 4-H Agent. It has been a long road but a road I am proud to have walked. I have enjoyed working with and getting to know all of you throughout my years here. I am extremely blessed to have been a part of a wonderful 4-H program. This program would not be where it is today without your help and guidance, and I am extremely appreciative of all your help and support. With that being said, it is time for me to move on and begin work on a new chapter in my career. As of today, I have accepted a position as the new Kentucky 4-H State Specialist for Educational Experiences. I will be ending my time in Scott County on May 31st and beginning my new role in the State Office on June 1st. Although I am sad to be leaving all the youth behind, I leave knowing the program is in good hands with the best volunteers an Agent could ask for. I am excited to have the opportunity to work with youth programming on a higher level and serve youth across the state. I will be available for any questions you might have during my transition to my new position. I also look forward to seeing our county youth at the educational programs I will be overseeing at the state level. Please know that this decision did not come easily, and I will miss working as your 4-H Agent.

James Patrick Allen

Thank you All!

4-H Council Meeting:

May 22nd @ 4:30 pm

Scott County Extension Office

If you are looking to get involved in 4-H as a volunteer please reach out to the 4-H Agents for more information on getting started.

The 4-H Council is an advisory group made of community leaders, program volunteers, and 4-H Agents. The purpose is to bring attention to the needs of the youth in our community and develop programs accordingly. Volunteers will help by guiding the programming efforts through their knowledge of the county and assisting agents with fundraising efforts.

The 4-H Council is vitally important to the success of the Scott County 4-H program!
